

Bringing Bait Al Kandora to your home with SAP® Business One

Before: Challenges and Opportunities

- Established In 2015, Bait Al Kandora quickly rose to become the first Emirati & Gulf designer menswear brand in the UAE
- Bait Al Kandora needed an ERP system to manage their 7 boutiques
- Bait Al Kandora also needed a system to manage their store big collection to serve their customers needs.

Why SAP and Seidor Procons

- Seidor Procons has a great success record in implementing SAP Business One
- SAP Business One is one of the highest ranked brands globally
- We like to work with people we trust and we found this with Seidor Procons team and SAP Business One solutions

After: Value-Driven Results

- Running our business operation has been greatly optimized
- Thanks to our optimized service, it has improved our customer relationship
- We have eliminated data redundancy and human errors
- Managing our business this smoothly allows us to spend more time on growing our business .

"Our experience with Seidor Procons and SAP business One has been very satisfactory. We have accomplished our goals and looking forward to expand our business with the same quality of products and customers satisfaction ."
